

【管院學生榮譽】2021霍特獎亞洲區域賽 管院學生獲全國前6強

管院學生首次跨院、跨國籍組隊參加被視為「商學界諾貝爾獎」與「學生界諾貝爾獎」的2021霍特獎亞洲區域賽，便取得全國前6強，現有極高機會代表中山前往2021霍特獎的倫敦場比賽！霍特獎Hult Prize發跡於2009年，由聯合國主導、和美國霍特國際商學院合作，至今已吸引全球超過 100 萬名學生參賽。霍特獎每年都會訂出一個主題，而今年主題為"Food for Good"，鼓勵世界各地的大專院校學生參與全球性的社會議題，並針對主題提案競賽，最終獲

2021 霍特獎亞洲區域賽團體第二名

賽。霍特獎每年都會訂出一個主題，而今年主題為"Food for Good"，鼓勵世界各地的大專院校學生參與全球性的社會議題，並針對主題提案競賽，最終獲勝隊伍可運用100萬美元的創業獎金將理想付諸於行動，達成促進人類文明發展的福祉，讓每個學生都有改變世界的機會。

隊員組成

管理學院致力於培育學生成為跨領域、國際化的管理人才，來自管院國際學程IBMBA的袁子修同學(Gary)攜手和另外三位不同學院學生，組成隊伍-"Future Fish"，為今年主題"Food for Good"腦力激盪。三位同學分別為外文系大四的泰國籍同學Lyn Suphanuch、海科系大三的蔡佳蓉同學(Berrica)和電機系大四的莊博勛同學(Bro)。Future Fish先經過中山校內的初選，從6組中脫穎而出，代表本校參加亞太區賽事。因多元科系所組成的團隊背景豐富，決賽時廣受評審青睞，和來自台大、清大、成大、政大等14所大學、20 個國籍、120 位學生、30 個參賽隊伍競賽，不僅打進前6強，評審更透露來自中山的Future Fish實則為第2名，因此鼓勵爭取繼續前往下一輪全球級別的比賽。

國立中山大學「西灣國際沙龍」計畫首部曲「未來領袖英語夏令營」前進旗山，來自西班牙、俄羅斯及美國的外籍學生組隊與15名國小學童用英語交流家鄉文化，提升國際素養，實踐全球在地的學習精神。

參與中山大學計畫 TA,登於多家報社

【大成報記者吉雄世／高雄報導】國立中山大學舉辦「西灣國際沙龍」系列活動，首部曲「未來領袖英語夏令營」由臺灣學生與來自西班牙、俄羅斯及美國的國際生前進高雄旗山國小，帶領15名學童進行深度國際文化交流。國際生向學童介紹他們的家鄉與文化，讓小學生認識世界；學童也學習用英語向國際生介紹旗山當地特色，透過在地文化與國際素養的結合，實踐全球在地的學習精神。

中山大學西灣學院策畫全球在地化系列活動「西灣國際沙龍」，以「未來教育，世界在地」為主軸，期盼透過中山大學臺灣本地學生與境外學生的交流互動，落實全球在地化的國際素養與共學基礎。國際沙龍計畫負責人、西灣學院助理教授趙可卿指出，舉辦系列活動希望能強化外籍生的臺灣文化認同，並加強在地連結，「一方面建立外籍生國際服務學習管道，另一方面也擴大中山與偏鄉在地學校的合作夥伴關係。」

「未來領袖英語夏令營」課程強調從遊戲以及人際互動中自然學習。一開始旗山國小的學生仍略顯害羞，但在老師循序漸進地引導下，國小學童輪流試著以英語訪問外籍生領隊，並且向其他學童介紹這些來自世界各地的大哥哥、大姊姊。課程結合許多以英語為主的活動與競賽，例如英文長句傳話遊戲、英文單詞填空，英文版鬼抓人，在互動中消彌大小學生的陌生感。此外，小學生還自製名牌以便互相認識彼此英文名字、DIY旗山印象

與馬來西亞學姊主持的外籍學生迎新派對

(Provided by Si-Wan College) National Sun Yat-sen University organized the first of the summer events of Si-Wan International Salon – Future Global Leaders English Summer Camp. This camp recruited Taiwanese and international students from Spain, Russia, and the USA from the University, and took them to the Cishan Elementary School in an attempt to conduct in-depth international cultural exchange with 15 local pupils. International postgraduate students introduced their countries and culture to the elementary school pupils and let them learn more about different parts of the world, while pupils presented their hometown – Cishan in English. In so doing, both international students at NSYSU and pupils at Cishan Elementary School had an opportunity to broaden their horizons.

This summer, Si-Wan College at NSYSU organized an educational initiative – Si-Wan International Salon. Functioning as a platform between local and international students, Si-Wan International Salon aims at promoting the concept of glocalization and global competence. Future Global Leaders English Summer Camp was a collaboration between the Higher Education Sprout Project and the USR Project of the Ministry of Education – Education & Knowledge Localization and Globalization in Practice: Kaohsiung Old Port and New Bay as Starting Point. Designer of the camp curriculum, Assistant Professor Ko-Ching Chao of the Si-Wan College said that the aim of the camp is to strengthen international students’ identification with the Taiwanese culture and their connection with Taiwan, as well as to create a way for them to practice service learning, and also, to expand the collaboration of the Si-Wan College with schools in rural areas.

Future Global Leaders English Summer Camp stresses the importance of the natural process of learning while playing and interacting with other people. At first, the pupils of the Cishan Elementary School were somewhat shy, but thanks to teachers’ step by step guidance, they started asking the visiting international students questions and introducing their new friends to other classmates. The course included many different activities and competitions in English, such as story-telling, filling in the gaps, playing tag, which brought the students and pupils closer. Also, the pupils asked about each other’s English names and wrote them on name tags, made DIY posters in English promoting Cishan, practiced their English speaking abilities, and prepared cards to send to their friends and family and invite them to come to the final ceremony of the Camp.

Po-Hsun Chuang, a student of the Department of Electrical Engineering, was the representative of the camp team. Although he often interacts with international students, Chuang admitted that he is glad to have learned a lot about other countries and cultures from the international participants. Matthew, who comes from Florida in the USA and is currently a student of the Institute of China and Asia-Pacific Studies, said that most foreigners in Taiwan stay in big cities and don’t have many opportunities to see the countryside. This Camp let him gain a deeper understanding of Cishan and interact with children who grew up in rural areas. Cristina from Spain said that the Camp gave her an opportunity for genuine interaction with Taiwanese children, which she found to be a valuable experience. Ilya, who had been a team leader a few times before in his native Russia and China, said that this was his best experience of all.

Assistant Professor Chao, who is in charge of the Si-Wan International Salon project, said that the Salon team plans to host camps in other schools for elementary and secondary school pupils to experience international education. In August, the Salon hosted two other events: The Taste of Taiwan Summer Camp and Social Innovation in Taiwan Program, both in English as the language of communication. Taiwanese students introduce the local culture and development of Kaohsiung, and the international students - the culture and lifestyle in their countries. Dean of the Si-Wan College Dun-Hou Tsai said that this series of events is open to all students regardless of their nationality, lets them learn from each other, experience loglobalization, and brings them together.
